## SONGS

### "WHEN IRISH EYES ARE SMILING"

When Irish eyes are smiling, sure it's like a morn in spring  
In the lilt of Irish laughter, you can hear the angels sing.  
When Irish Hearsts are happy, all the world seems bright and gay;  
And when Irish eyes are smiling, sure they steal your heart away.

### "HOW GREAT THOU ART"

1 - O Lord my God, when I in awesome wonder  
Consider all the world Thy hands have made,  
I see the stars, I hear the rolling thunder,  
Thy pow'r through-out the universe displayed.

Ref: Then sings my soul, my Saviour God, to thee  
How great Thou art, how great Thou art!  
Then sing my soul, my Savior God to Thee:  
How great Thou art, how great Thou art!

2 - When through the woods and forest glades I wander  
And hear the birds sing sweetly in the trees,  
When I look down from lofty mountain grandeur,  
And hear the brook and feel the gentle breeze.

Ref:

3 - And when I think that God, His Son not sparing,  
Sent Him to die, I scarce can take it in,  
That on the cross, my burden gladly bearing,  
He bled and died to take away my sin.

Ref:

4 - When Christ shall come with shout of acclamation  
And take me home, what joy shall fill my heart!  
Than I shall bow in humble adoration,  
And there proclaim, my God, how great Thou art.

Ref:

### "GOD BLESS AMERICA"

While the storm clouds gather far across the sea,  
Let us swear allegiance to a land that's free;  
Let us all be grateful for a land so fair,  
As we raise our voices in a solemn prayer.  
God bless America, land that I love,  
Stand beside her and guide her  
Thru the night with a light from above;  
From the mountains, to the prairies,  
To the oceans white with foam,  
God bless America,  
My home sweet home.

## HISTORY OF THE BERKS COUNTY CEMETERY ASSOCIATION

The object, for organizing the association, was for the advancement of the interest and elevation of the character of cemeteries in Berks County.

The first meeting was held July 8, 1930 (the first meeting minutes appear on another page, note the cemeteries and the persons who were present) in Charles Evans Cemetery. With the interest that Peter "Pete" L. Scholl had for cemeteries, the association was organized with the help of two other interested persons, Charles "Charlie" L. Glase and Harry E. Hart.

The first meeting was attended by 33 persons representing 16 cemeteries, (14 cemeteries are still active members - 50 yrs. later) The second meeting was held Nov. 14, 1930, when the name "Berks County Cemetery Officials" was adopted; April 17, 1959, the name was changed to "Berks County Cemetery Association". The first Annual Meeting was held at, "Chefs", Sinking Spring, with a family style chicken dinner served; no record of the attendance, neither were wives invited as it appears. According to the minutes, the meeting was conducted as a regular meeting with the election of officers (the names of the first elected officers appear on the page where the officers who served, are printed), also cemetery problems were discussed; no program.

The first Ladies-Night Annual Banquet meeting was held January 15, 1937 at the Good Shephard Church, Tuckerton; the ladies aid serving a family style turkey dinner, no attendance was recorded at that time. The first recorded attendance for a Ladies-Night meeting, held in April, 1944, was twenty two. This was the first Ladies-Night Meeting held in April, the past meetings were held in January. The best Ladies-Night Banquet meeting attendance, in 50 yrs. of the association, was 319 reservations on April 23, 1965, 40 cemeteries were represented at the meeting which was held in the Kutztown Grange Hall. The first Annual meetings were held usually in a church and the Aid Societies serving the dinner. When the attendance increased to 200 persons, larger quarters had to be found. The Annual meetings, at first had a dinner speaker and then the business meeting followed; at the present time a full entertaining program is conducted. A memorial service is held for the members who died during the year, plus a short business meeting. The first recorded price for the annual dinner was two dollars per person, today's price is five dollars and fifty cents.

Regular quarterly meetings are held the third Friday evening in the month of the quarter. They are held at different locations of the county and the cemetery board acting as host of the evening, provides a refreshment and fellowship period after the meeting. From July 1935 to July 1953 the July meetings were held at the bungalow of Mr. & Mrs. Fred Baer, a family affair was had; the afternoon with games and fellowship and the evening, as the time for the business meeting. A picnic lunch was served for the evening meal, a donation of fifty cents per person was asked. This type of a meeting

is in the planning stage for the July meeting, in this anniversary celebration year, which will be held in the Bern Church picnic grove (between Reading & Bernville). Regular quarterly meetings were held during the years of war, depression, and gas shortage.

The association recognized members who died serving in an office by having a resolution recorded in the minutes; they were 3 presidents Harry Hart, Ralph Trexler and Robert Zettlemoyer; 2 secretaries William Christ and Ray Geiss; one trustee, John Harner. Some of the issues that were discussed and action taken at the regular meetings were: Sunday funerals to be discouraged, yearly dues was increased from one dollar (before 1948) to two dollars the present yearly dues

A few things that the association took part in were; a tomb stone donated by the Pottetiger Memorials, Strausstown, and erected by St. Michael's cemetery board of Tilden Township (free gratis) in Christ (Long's) Church cemetery, Stouchburg, in honor and memory of Regina (Hartman) Leininger, (a little girl captured by the Indians and later united with her mother by the song she sang). The life story can be read in the history book. A special occasion was held on a Sunday afternoon, to dedicate this memorial. The program was arranged by the association and the Historical Society of Berks County. A donation of \$50.00 was given to the restoration of the Pres. James Buchanan memorial fund. The Association places an add for the removal of the winter decorations from the cemeteries (Spring clean-up for Easter) in the Reading daily papers three times in early spring.

The association by-laws were revised and printed in booklet form in 1964. When a person becomes an association member one of these booklets is given to the person, this serves as a membership identification; the members name and the cemetery is written on the back of the front cover.

A certificate of membership is issued to a cemetery when they join the association, this certificate contains a seal when they joined and also the yearly dues seal. Two booklets, containing information pertaining to individual cemeteries, were printed in 1974 and 1978.

The association was host to two Penna. Cemetery Association conventions, 1944 & 1963. We are also honored by having some of our members serving in offices in the state association, Nelson Farr, Ray Geiss, Harry Keefer, Clarence Neecker, Peter Scholl and Henry Seip.

NOTE: all above mentioned are serving on a cemetery board at the present time.

B-M: when a person was elected to a cemetery board and the total number of years of serving.

A-M: when the person became an association member and the total number of years as a member.

Emplanation of codes used on the following pages:

YEARS PRINTED; are, when a person became a member, and the last year, as a member.

YEARS INCLOSED IN PARENTHESES; means that a person served on a cemetery board before they were members of the association and are still serving on a board and are active members of the association. This is to see how many years a person served on a board.

A STAR IN FRONT OF A NAME; (if year is known), the person died while serving on a board and was an active member of the association.

A DASH AFTER THE YEAR; the person is still serving on a board and the time has not expired. If there is no dash after the year, the year of expiring is unknown.

BCCA, means that no report was received from a cemetery board and the records that the association has were used, (records started in 1966), these records might be wrong, if there are any mistakes, notify the association secretary.

CEMETERIES, are arranged alphabetically, BOARD MEMBERS, of these cemeteries, also in alphabetical order, not according to years of serving.

There are about 453 persons serving on a cemetery board, this includes, secreteries, treasurers and caretakers or Sept. (some of these might not be a board member). All of these people who accepted this responsibility to serve the public by conducting the business of a cemetery, deserve a lot of praise for their time given, (usually with-out pay). It is an honor to be a member of a cemetery board, but it is a bit difficult to get the younger generation to accept the position of board member. By reading the printed reports of the cemeteries it is noted that some of the members are serving for a great number of years, this is a great honor to a person who is interested in cemetery business.
